### Letter from Jas. B. Stutz.

"Battery E, 316 F. A.  
Nov. 27th, 1918.

"Furman Jones and I are together, and we exchange copies of the Post-Dispatch and enjoy it so. I will describe briefly the movements of our battery:

"We left Camp Jackson on Friday, July 26th, at 8:15 p. m. via the Coast Line Ry. Paraded at Richmond, then boarded the train again and continued the trip, arriving at Jersey City at 5 a. m. Sunday, July 28th. Boarded a ferry and sailed around lower Manhattan and up East River and at 2:55 p. m. landed at Long Island Ry Station Brooklyn. We arrived at Camp Mills at 4:30. Stayed there until Monday morning, Aug. 5th, when at 9 a. m. we entrained, and at 1 p. m. boarded the Cunard liner, "Aquatania." At 5 the boat was backed from the dock and headed down the Hudson, with bands playing and people cheering, on past Governor's Island and the Statue of Liberty and out to sea. Battery E was ordered in that some of our men were chosen to man the big naval guns, and others to lower the life boats in case of fire or emergency. The "Aquatania" is 908 feet long 92 feet wide and 85 feet from top deck to surface of the water. The weather was calm but not one day, when most of us stayed below. We arrived at Liverpool at 9:07 a. m. Aug. 12th. Disembarked at 4 p. m. and marched to camp Krotty Ash, four miles distant. Left there at 9:15 Aug. 14th, by rail, and arrived at Southampton that afternoon at 7:15. Stayed there until the 16th when we again embarked, on an English troop ship "Queen Alexander", and went across the Channel, with three convoys, landing at Cherbourg, France, at 1 a. m. 17th. We then marched to a rest camp four miles away. On the 18th we entrained in small box cars marked "Hames 40, Chevaux g." Arrived at Valdehon the 20th, then marched to E. enoy. Here we received our French artillery training and were under orders to go to the front when the armistice was signed Nov. 11th. Epeay is about 25 kilometers from the Swiss border. We saw our first air raid on Oct. 7th. We came to Rincourt on Saturday, Nov. 16th, at 5 a. m. and then came to the American camp at St. Blin at 9:15. Here for the first time since reaching France our entire regiment was assembled together. St. Blin is directly south of Verdun about 100 kilometers.

"Looks like it will be a long time before we will start for home, because if seniority rules, we who came near the last, will stay to the last. But "Home, Sweet Home" will sometime be sounded, and then we'll be a hilarious bunch of fellows. Tomorrow is Thanksgiving Day and we are looking forward to a royal dinner."

"France is a beautiful country, but it seems to rain five days and be foggy the other two, in every week."

Gentlemen:

I suffered for some 5 years with MUSCULAR RHEUMATISM, was treated by several physicians, but found no relief. Then went to patent medicines and tried them out thoroughly, still no relief. At this time I was induced to try your remedy (L-Rheumo), and after taking it 3 days the pain was entirely gone. Now one year after taking it I feel well and strong. Only took one bottle. I advise everyone suffering from Rheumatism to take it and feel that they will be cured.

Yours very truly,

W. E. Pratt.

### Grover Cleveland Miles.

(From Altavista Newspaper)

Mr. Grover Cleveland Miles, son of Mr. and Mrs. C. D. Miles, died at the home of his parents on Eighth street, Friday evening at 7:30 o'clock, after a lingering illness of about eight months, of that dreaded disease, tuberculosis. Mr. Miles came here about ten months ago from Rockingham, thinking that the change of climate would improve his health, but instead he grew worse and took his bed in March of this year, which he was continually confined until his death. All was done for him that skilled physicians and loving hands could do, but to no avail.

The deceased is survived by his wife and two small children, Mildred and G. C. Miles, Jr. Also by his aged father and mother and the following sisters and brothers: Mrs. W. H. Bracey, of Rowland; Mrs. Lawrence F. Dronney, of Altavista; Mr. H. M. Miles, of Greenville, S. C.; Mr. T. W. Miles, of Altavista, and Mr. C. H. Miles, now with the 21st engineering corps somewhere in France.

Mr. Miles was 33 years of age and was well liked by all who had occasion to know him.

The funeral was held at the residence Sunday afternoon, conducted by Rev. J. B. Askew and Rev. E. G. Divelbiss, the burial being in the newly made cemetery at Pleasant Chapel, east of town.

The pall bearers were: Messrs J. L. Goodwin, Z. J. Barbee, J. L. Scoggin, Cletis Moser, W. R. Johnson and J. C. Stone.

Don't wait until your  
cold develops Spanish  
Influenza or pneumonia.  
Kill it quick.

Standard cold remedy for 20 years—in solid form—safe, sure, no opiates—breaks up a cold in 24 hours—relieves grip in 3 days. Always back it if it fails. The genuine has a red top with Mr. Hill's picture. At All Drug Stores.

It certainly takes nerve for a visitor, uninvited in the first instance, to make a second visit without an invitation. Yet this is what the flu is doing throughout the country.

## COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Phillips, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days. I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go. I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle. I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today.

## Cattle Buying for Swift & Company

Swift & Company buys more than 9000 head of cattle, on an average, every market day.

Each one of them is "sized up" by experts.

Both the packer's buyer and the commission salesman must judge what amount of meat each animal will yield, and how fine it will be, the grading of the hide, and the quantity and quality of the fat.

Both must know market conditions for live stock and meat throughout the country. The buyer must know where the different qualities, weights, and kinds of cattle can be best marketed as beef.

If the buyer pays more than the animal is worth, the packer loses money on it. If he offers less, another packer, or a shipper or feeder, gets it away from him.

If the seller accepts too little, the live-stock raiser gets less than he is entitled to. If he holds out for more than it is worth, he fails to make a sale.

A variation of a few cents in the price per hundred pounds is a matter of vital importance to the packer, because it means the difference between profit and loss.
